

## VERY IMPORTANT PET - COQUILLADE PROVENCE CLUB

### Rules of Etiquette

#### V.I.Ps' and their Families

As an esteemed member of our Very Important Pet (V.I.P) Club, you will be enjoying a unique experience and provided with the highest standard of service. The following rules of Etiquette will help you take full advantage of your stay.

#### *Membership*

A 50€/day per member admission fee was settled by your family upon reservation.

#### *Benefits & Etiquette*

You will receive a personalized welcome every time you visit. Comfy bedding and accessories will be placed in the room especially for you. The use of the couch and the bed is restricted to your owners.

Your satisfaction is our number one priority. Your owners are kindly asked to keep our housekeeping attendants informed about your presence in the room at any time of the day so that we may preserve your peace.

Dignified and well-behaved members are welcome to the outdoor terraces of our restaurants and bars but not indoors. You may enjoy our In Room Dining pet menu. Our pools and their decks are also restricted to your owners.

You can enjoy lovely walks on our extensive grounds and forest. Scooping bags are made available in your room for your family to take along. Thank you for helping us to keep with our commitment to the environment.

#### *Quiet*

The V.I.P Coquillade Provence Club favors good relations between neighbors of all sizes. Thank you for respecting other guests: no recurring barking, no off-leash walking, and no degradation. Any damage to equipment will be charged to your family.

#### *Reassessment*

The members of the V.I.P Coquillade Provence Club reserve the right to reassess your membership should you not comply with the club's rules to the "kibble"!

We wish you a very enjoyable stay!
